CLOSING OF THE CONFERENCE

About the Conference

The Biennial International Conference Criminal Justice and Security in Central and Eastern Europe addresses contemporary challenges in the field of criminal justice and security by encouraging the exchange of the latest views, concepts, and research findings from criminal justice and security studies among scientist, researchers, and practitioners from all over the globe. The aim of the conference is to highlight new ideas, theories, methods, and findings in a wide range of research and applied areas relating to policing, criminology, security issues, and social control issues. Conference strives for joint collaboration of different stakeholders in developing knowledge and experience that contribute to more secure and safe societies.

Conference Background

Starting in 1996 and reconvening for its twelfth session in 2018, the Conference has focused on and dealt with a good many topical areas such as, Comparing Firsthand Knowledge with Experience from the West (1996), Organisational, Managerial, and Human-Resource Aspects (1998), Ethics, Integrity, and Human Rights (2000), Deviance, Violence and Victimization (2002), Dilemmas of Contemporary Criminal Justice (2004), Past, Present and Futures (2006), Social Control in Contemporary Society – Practice and Research (2008), Social Control of Unconventional Deviance (2010), Contemporary Criminal Justice Practice and Research (2012), Understanding Professionalism, Trust and Legitimacy (2014), and Safety, Security, and Social Control in Local Communities (2016).
